

# NEED HELP WITH HOUSING?

Central Intake works together to connect people to homelessness support services across the NT.

## WHO WE HELP

- People currently housed, but their tenancy is at risk.
- People who are currently experiencing homelessness (including couch surfing, living in a car or sleeping rough).

## CENTRAL INTAKE

- Is a single entry access to homelessness support across the NT.
- Works with local services, not replace them.
- Is not a housing provider.
- Is a pathway to the right support for you.
- Is the first point for intake and referral.
- Has a secure data storage network.
