

From the Principal...

It has been another busy and rewarding fortnight at Stuart Park Primary School, with many opportunities to celebrate our students, staff and school community.

Preschool Wheel-a-thon Success

Last Wednesday, our Preschool students participated in a highly successful Wheel-a-thon. It was wonderful to see so many smiling faces as children confidently rode their bikes, scooters and trikes. The event promoted healthy lifestyles, built confidence and provided a fun opportunity for students to develop their coordination and social skills. Thank you to our Preschool team and families for helping make the day such a success.

Visit from Mr Warren Giles - Executive Director Darwin Schools

We were delighted to welcome Mr Giles to Stuart Park Primary School last Wednesday. During his visit, he spent time in every classroom, speaking with students and observing teaching and learning across the school.

Mr Giles was highly complimentary of the work taking place at SPPS. He noted the strong implementation of explicit teaching practices, high levels of student engagement and the school's purposeful use of data to inform teaching and support student achievement. He also acknowledged the collaborative work of staff and the significant focus on improving mathematics outcomes across the school.

Importantly, Mr Giles commented on the positive learning culture evident throughout the school and remarked that Stuart Park Primary School has many strong learners who are engaged, capable and proud of their learning. Thank you to our staff and students who proudly showcased our school and demonstrated the great work that happens every day at SPPS.

Vision and Values

Please take this final opportunity to complete the below survey and contribute to developing the wording for our school vision and values. [Shaping Our School's Future Parent Survey](#)

A CELEBRATION OF OUR SCHOOL, OUR TALENTS, OUR COMMUNITY

Flower Power in Year One Sara

Year One Sara has been bursting with creativity this Term in our Visual Arts unit, exploring a variety of art techniques and mediums.

In recognition of the school's upcoming 60th Birthday we have created a variety of 'Flower Power' inspired artworks.

We have experimented with collage, still life drawing, stamping and expressive drawing, while using colourful paint, soft watercolours, pencils, pastels and collage materials.

We can't wait to showcase our creations at the Arts Festival in Term 3.

Stuart Park Preschool 2027 Enrolments

Give your child the best start to their learning journey.

At Stuart Park Preschool, we provide a nurturing, play-based environment where children develop curiosity, confidence, and a love of learning.

Enrolments are now open for 2027.

If you live within our catchment area and your child turns four before June 30, 2027, please contact the school to complete an expression of interest.

What we offer:

- A safe, inclusive, and welcoming environment
- Experienced and caring educators
- Strong focus on early literacy and numeracy foundations
- Play-based learning guided by the Early Years Learning Framework
- Connection to the wider Stuart Park Primary School community
