

From the Principal...

Three-Way Conferences – formerly Parent/Teacher Interviews

It is hard to believe we are already heading into the final weeks of Term 3! A reminder that our Three-Way Conferences will take place in Week 10. These were previously known as Parent/Teacher Interviews, but we have changed the format slightly to put your child right at the centre of the conversation about their learning.

So, what will this look like for families?

Rather than parents simply listening to the teacher talk about their child's progress, your child will have an active role in the conversation. They will have the opportunity to demonstrate a mathematics concept they have been learning through Maths Hero, using the same steps and processes they use in their classroom. They will explain their thinking and show you what they know.

I think this will be a lovely opportunity for parents and carers to see your child as a learner — not just hearing about their progress, but seeing them explain, demonstrate and talk about their learning. However, in the second part of this session, the teacher will then share your child's progress in the key learning areas; strengths and areas for growth.

We are excited to try this new approach and, importantly, we will be asking our students, teachers and families for feedback afterwards.

Wow — what a performance from our BEAT Dancers and Choir!

They were absolutely wonderful, and I know they were enjoyed by everyone who had the opportunity to see them. I particularly loved watching the enthusiasm and confidence of our students. They were having so much fun — and that really showed!

A huge thank you to Mr Marshall for the time, energy and commitment he has put into our Choir. Learning all those songs and actions takes a lot of work, and the students were fantastic. Thank you also to Ms Bright and Ms Putland for helping our dancers backstage, and a very special thank you to our wonderful parents, Ms Kyrrie Blenkinsop and Mrs Dishani Dissanayake, for helping with make-up and clothing. It really does take a team to get our students ready for a performance, and we are very grateful to everyone who helped behind the scenes.

We can't wait to see our BEAT Dancers and Choir perform at school! I know our students, staff and families will love seeing them share their talents with our own school community.

A Little Reminder about HATS!

We are having far too many children forgetting to bring their hats to school.

Please remember that hats are an important part of our school uniform and, most importantly, our sun-safety procedures.

No hat = no play in the sun.

Hats are also required for PE lessons. We have only a limited number of spare hats at school, so please make sure your child remembers to bring their hat every day.

A little reminder before leaving home can make a big difference!

Will your Child be Returning to SPPS in 2027

Today, we sent an email asking you to complete a short survey to let us know if your child will be returning next year. This is essential for our planning for staffing, classes and resources for 2027.

If you have not already completed the survey, please do so here:

[**Intention to Return Survey**](#)

Only TWO weeks to go!

And finally... only two weeks to go! What a term it has been. There has been so much happening across our school — lots of learning, performances, celebrations and wonderful opportunities for our students. As always, thank you for your continued support of our school. I really appreciate the way our families get behind our students and the many ways you contribute to making Stuart Park Primary School such a wonderful place to learn and grow. Let's make these final two weeks of Term 3 count!

Warm regards,
Maria Albion
Principal

SCHOOL HATS

= Every day! =

 **PACK YOUR HAT DAILY**
Please make sure your child brings their hat to school every day.

 **NO HAT, NO PLAY**
We have a no hat, no play policy. Students without a hat will be required to play in a shaded area.

 **LABEL YOUR HAT**
Please label your child's hat with their full name.

 **FOUND A HAT?**
If another child's hat finds its way to your home, please return it to the office so that we can return it to the owner.

Thank you for helping us keep students

Parent-Teacher-Student CONFERENCES

WORKING TOGETHER FOR STUDENT SUCCESS

WEEK 10

SEPTEMBER 15 & 16

Parent-Teacher-Student Conferences are a valuable opportunity to strengthen the partnership between home and school, recognising that student success is greatest when students, families and teachers work together.

These conferences provide a dedicated **15 minutes** of time to share learning, discuss academic progress, identify areas for improved growth and review learning habits and attitudes.

TOGETHER, WE CAN:

CELEBRATE AND SHARE LEARNING

DISCUSS PROGRESS AND AREAS FOR GROWTH

STRENGTHEN THE PARTNERSHIP BETWEEN HOME AND SCHOOL
