IMPORTANT NEWS

ATTENTION ALL LANDHOLDERS!

is your gamba grass gone?

Gamba grass regulations

LESS THAN 3 ha (7.4 acres)
All gamba grass must be removed, or you risk being fined.

LARGER THAN 3 ha (7.4 acres)
You should already be actively reducing gamba every year and have a 15 m gamba-free buffer around boundaries, infrastructure and both sides of the track into your property.

These requirements are part of the *Gamba Grass Weed Management Plan 2020–2030 (2024 Revision)*.

Scan the QR code to find out more.
